

2306 Milledgeville Rd. Augusta, GA 30909 Richmond County

Description

This billboard sits along the main corridor between the fort and the downtown plaza, and gets especially heavy travel from military personnel, and the employees of the medical district in downtown Augusta. This sign is viewable by traffic heading northbound to the medical district's multiple hospitals and the Augusta University Medical and Dental school.

Located between two traffic lights, the sign gets heaviest traffic in the afternoons, and is located close to a school and is visible from the stalled traffic during dropoff and pickup times.
